

LDC Collaboration Partners

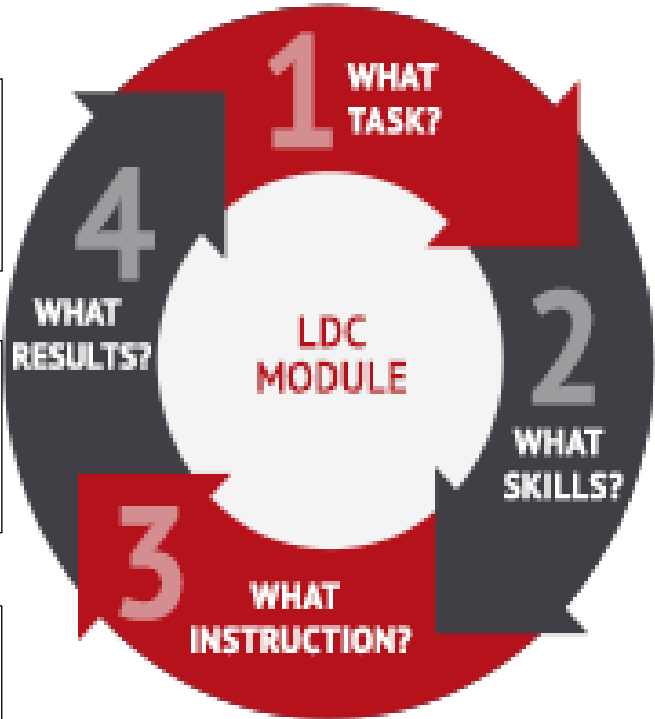

Instruction Partners

Preparing for the Task Partner:

Reading Process Partner:

Transition to Writing Partner:

Writing Process Partner:

Task Partner:

Skills Partner:

Directions:

- Circulate around the room and find a different partner for each box.
- You and your partner will record one another's name in the same box on your collaboration sheet.
- We will meet with these partners periodically throughout the planning of our modules.

**A good tip is to also pick a meeting spot and write down a visual memory cue (purple shirt) to help you find your partner at the prompted discussion time.*
