

Literacy Design Collaborative Instructional Transformation Institutes

Presented by: Reach Associates in partnership with the Kentucky Department of Education

Come join the expanding group of classroom teachers working through The Literacy Design Collaborative (LDC). Teachers across the state and nation are working together through a shared framework to build tasks and instructional modules that meet the cognitive demands of our CCSS standards. LDC modules offer a new way for teachers to create rigorous, robust tasks aligned with grade level content literacy standards. The LDC Framework provides teachers a balance of guidance when implementing the instructional shifts and demands of content and literacy standards. The process intentionally provides ongoing opportunities for teachers to make decisions to adjust content and instructional strategies based upon student needs.

Certificates of participation for 6 hours of professional development/EILA credit will be offered for each day.

Please join us for:

October 28: *Analysis of LDC Student Work*

October 29: *Building a Quality LDC Instructional Ladder*

Participants may register for either or both sessions.

Dates, times, and locations:

October 28 & 29: 9:00-4:00 Eastern

**Embassy Suites
1801 Newtown Pike
Lexington, KY**

Register at: <http://www.kellyphilbeck.com/reach-october-28--29.html>

*Registration for this session is **FREE!***

Participants should bring a draft of an LDC Module (either a hard copy or access on CoreTools), student work, access to content standards, and a fully charged laptop. If you do not have student work or a module, some will be provided.
